Chairpersons Report

On behalf of the committee, I would like to thank everyone who participated in our International Exhibition. Your continued support and enthusiasm help ensure the ongoing success and growth of this event, and we are excited about its future.

We were delighted to receive entries from photographers across the world. The standard of work submitted was exceptional, with each section showcasing a diverse range of creative and inspiring imagery. Congratulations to all exhibitors who achieved acceptances and awards, and thank you to everyone who entered.

Our sincere appreciation also goes to our judges, Mario Mirabile, David Laronde, and Alexander Kharwat for the considerable time, dedication, and thoughtful attention given to judging the exhibition. Your contribution is greatly valued.

We would also like to acknowledge and thank Folosalon Competition Site for providing the software platform that supports our exhibition.

As part of our ongoing commitment to giving back, the committee continues to allocated a portion of the exhibition proceeds to support the education of a young Nepalese boy, Shans, through his secondary schooling. We are pleased to hear he continues to make excellent progress, and we hope to expand this support to other Nepalese children in the future.

Please take the opportunity to enjoy the outstanding images presented in this catalogue. May they inspire you to continue developing your photography, embrace creativity, challenge yourself, and explore new ways of seeing the world.
